Portal of Awareness Mission*

September 21st is the United Nations International Day of Peace. Portland, Oregon based [new72media](http://new72media.com) is partnering with the international [Ring of Peace](http://RingofPeace.com) (RoP) to bring together healers, visionaries, speakers, peace leaders, hope builders from all nations, beliefs, hearts and ages to share their messages of peace through a 24-hour, live-streaming, worldwide, webinar event. On the foundation of new72media's [Portal of Awareness](http://PortalofAwareness.com), the [Portal of Peace](http://PortalofPeace.com) has been established, and the call is out to "Raise The Vibration" on this day to start a peace-filled revolution. Attendees/participants from around the world will view this 24-hour streaming event from their computer, smartphone or tablet and be part of this positive transformation. "Imagine 10,000 people streaming the event, sitting with the same intention at the exact same time...talk about raising the vibration!" exclaimed Kelli Lair, new72media Co-founder and Visionary Leader.

The Ring of Peace is an annual event organized on the United Nations International Day of Peace and will be celebrating its fourth year of delivering their annual Global Message of Peace. new72media has partnered with RoP and many internationally recognized peace workers to provide this live-streaming portal for peace.

"There is an energy shift, a resonance on the planet," according to Cinda Stevens Lonsway, new72media Co-founder, whose soon-to-be released published book is a memoir titled [*I Know Now: A Women's*](#)

Healing... Violence to Victory, Trauma to Truth. “The intention of new72media is to be of service to the world, and to those who are servicing the planet, and one way to honor that intention is through ‘Raise The Vibration’ and the Portal of Awareness,” added Lonsway. Lonsway has expressed the need for this important movement in a short essay which is attached, and all are encouraged to post, tweet, share!

To be of service to this important global movement, new72media is offering their [Portal of Awareness](#) platform as a ‘ringlet’ for the Ring of Peace, bringing universal awareness to promoting peace on every level – personal, domestic, local, national, global, and love, compassion and acceptance for all living things.

Mary Holden, new72media Co-founder and Lead Editor sees opportunities for every individual to become an epicenter for peace: “I see the Ring of Peace as an important give-and-receive movement! Join it then listen as new harmony envelops humanity.”

The intention of new72media’s “Raise The Vibration!” Campaign is to engage individuals from all over the planet and from every walk of life to share their positive energy and vision for peace at the same moment in time via the Portal of Peace. The synergy of the combined effort of The Ring of Peace, Portal of Peace, Portal of Awareness and global participants is to help raise the vibration of Earth and increase the frequency of healing and peace.

new72media Co-founder and Visionary Leader Kelli Lair and Co-founder Cinda Stevens Lonsway, both based in Portland, OR are available for interviews. The ancient number 72 ($7+2=9$) carries the vibration of light—the kind of light that is able to shine beyond any dark corners of the reality we create, and illuminate a new kind of media.
